Journal of Aquatic Biology & Fisheries

(Journal of the Department of Aquatic Biology and Fisheries, University of Kerala, India)

A peer-reviewed and UGC CARE-listed journal.

2022 Volume 10 (1&2)

Bi-annual Journal

Citation: *J. Aquat. Biol. Fish.*

ISSN 2321-340X

The Journal publishes invited review articles and original peer-reviewed research papers dealing with all aspects of Aquatic Biology and Fisheries, and appreciates multidisciplinary research papers on emerging and frontier areas of research in Aquatic Biology and Fisheries. The contributions can be in the form of original research papers and short communications relevant to freshwater, brackishwater and marine environments.
