(Journal of the Department of Aquatic Biology and Fisheries, University of Kerala, India)

Special Issue

Based on the papers presented in international seminar on wetlands and mangroves, LAEC-2022 (Lake View Envirothon International Conclave) in India to be held during 24-26 March 2022, organised by the Sacred Heart College (Autonomous), Kochi, Kerala, India.

Bi-annual Journal

Citation: *J. Aquat. Biol. Fish.*

ISSN 2321-340X

The Journal publishes invited review articles, special issues and original contributions dealing with all aspects of Aquatic Biology and Fisheries, and appreciates multidisciplinary research papers on emerging and frontier areas of research in Aquatic Biology and Fisheries. The contributions can be in the form of original research papers and short communications relevant to freshwater, brackishwater and marine environments.
